MEMORANDUM FOR: Mr. [REDACTED]  
SUBJECT : Project CORONA

25X1A

25X1A The attached memorandum is the outgrowth of a conversation in  
Dr. [REDACTED] office on 5 August which was attended by Messrs. [REDACTED] 25X1A  
[REDACTED] Goodpaster and myself which I subsequently mentioned  
25X1A to you. I believe Mr. [REDACTED] should see this paper but I believe he  
has no file of documents referring to CORONA and I would appreciate  
it therefore if you could call it to his attention. Would you let me have  
any comments he or you may wish to make.
